Correction: *Plenvu*

In our article in issue 1564 on *Plenvu* for colonoscopy preparation (Med Lett Drugs Ther 2019; 61:11), the comparator drug in the DAYB trial was not *Prepopik*, but rather *Citrafleet*, a similar sodium picosulfate-based preparation that is not available in the US. Also, we said that *Plenvu* can be taken as a single- or split-dose regimen; we should have said that it can be taken as two doses in a single day or split over two days.
